Terms

Obligations: For the purposes of the USAID spending reflected in this chart, obligations consist of legally-binding agreements that place funds into grants and contracts with implementing partners. Transfers of USAID funds to other entities such as the Multi-Donor Trust Fund are considered fully obligated and disbursed.

Disbursements: Payments that liquidate obligations; i.e., usually payments made to USG implementing partners as work is done.

¹ : Totals may not add up due to rounding

² : Remaining undisbursed humanitarian assistance amounts that may appear on USG reports reflect the slowness of payments and transfers for work already done and are thus counted as disbursed.

³ : Captures data from the Office of U.S. Foreign Assistance Haiti budget for fiscal years 2010 (Base & Supplemental), 2011, 2012, 2013 (partial), and debt relief.
